

Cancer Research Network Bern (CRNB) – Annual Retreat

Goals and Topics:

Every year in June, the CRNB meets for a retreat day where the different CRNB research groups are discussing their cancer research projects. The CRNB Annual Retreat is the perfect scientific interdisciplinary event to broaden your knowledge, present, and discuss your research, exchange ideas, and expand your network. Besides keynote speakers, researchers from the various cancer research groups of the Inselspital and the University of Bern present their basic, translational, and clinical cancer research work. The yearly participation at the CRNB Annual Retreat is mandatory for PhD students with specialization in Tumor Biology.

Organization:

The Annual Retreat is organized by the Chief Operating Officer of the CRNB as well as the CRNB-Steering Committee.

When: June

Time: 08:00h-18:00h

Venue: Gurten Pavillon, Park im Grünen, 3084 Wabern

ECTS: 0.5 (with an oral or poster presentation. The 0.5 ECTS can be earned multiple times.)

KSL-Nr.: 480568

Organizers: CRNB-Steering Committee, COO CRNB

Registration: via website: <https://tumorzentrum.insel.ch/en/research/network-events-workshops-conferences>

Program: The detailed scientific program and schedule is available in May
